Safety Information

IMPORTANT! READ CAREFULLY AND KEEP FOR FUTURE REFERENCE.

WARNING

- Only use this carrier for children between (8.5lbs) and (35lbs).
- When using the soft carrier monitor your child.
- Stop using the carrier if parts are missing or damaged.
- Read all instructions before assembling and using the soft carrier.
- Keep instructions for future use.
- Check to ensure all buckles, snaps, straps, and adjustments are secure before each use.
- Check for ripped seams, torn straps or fabric and damaged fastener before each use.
- Ensure proper placement of child in product including leg placement.
- Premature infants, infants with respiratory problems, and infants under 4 months are at greatest risk of suffocation.
- Never use a soft carrier when balance or mobility is impaired because of exercise, drowsiness, or medical conditions.
- Never use a soft carrier while engaging in activities such as cooking and cleaning which involve heat source or exposure to chemicals.
- Never wear a soft carrier while driving or being a passenger in a motor vehicle.
- Your balance may be adversely affected by your movement and that of your child;
- Take care when bending or leaning forward or sideways;
- This carrier is not suitable for use during sporting activities.
- **FALL HAZARD** - Infants can fall through a wide leg opening or out of carrier. Adjust leg openings to fit baby's legs snugly. Before each use, make sure all fasteners are secure. Take special care when leaning or walking. Never bend at waist; bend at knees.
- **SUFFOCATION HAZARD** - Infants under 4 months can suffocate in this product if face is pressed tight against your body. Do not strap baby too tight against your body. Allow room for head movement.
- Keep infant's face free from obstructions at all times.
- For low birthweight babies and children with medical conditions, a strong recommendation is given to seek advice from a health professional before using the product.

TICKS - Comfort and Safety with your Carrier

T is for tight

Your baby carrier should be tight, with your baby's held close against your body. Loose fabric or buckles can allow your baby to slump making it difficult for them to breathe. This can also strain your back.

I is for in view at all times

You should be able to see your baby's face when glancing down. Make sure the fabric of your baby carrier is clear from their head or face - you shouldn't need to remove fabric to see them.

C is for close enough to kiss

Your baby should be positioned as high on your chest as you find comfortable. If you tip your head forwards, you should be able to kiss their forehead / top of head.

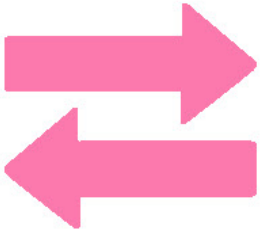

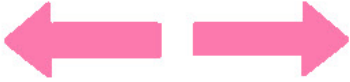

K is for keeping chin off chest

Your baby should not be in a position where their chin is forced onto their chest as this can restrict breathing. Make sure you can put at least one finger between their chin and chest to keep them safe.

S is for supported back

Your baby should be supported in its natural position so it isn't bent or twisted. Place a hand on their back and gently press - they should not uncurl or move closer to you.

Age Suitability

Suitable from baby (8.5lbs) up to toddler (35lbs)

Baby (8.5lbs)

Baby (6-12Months)

Toddler (12-24 Months)

Adjusting the Carrier for a Baby (8.5lbs)

Step 1

Pull the belt away from the velcro to loosen.

Step 2

Slide the fabric on both sides towards the centre, this will create a smaller seat for 2 months (12lbs).

Step 3

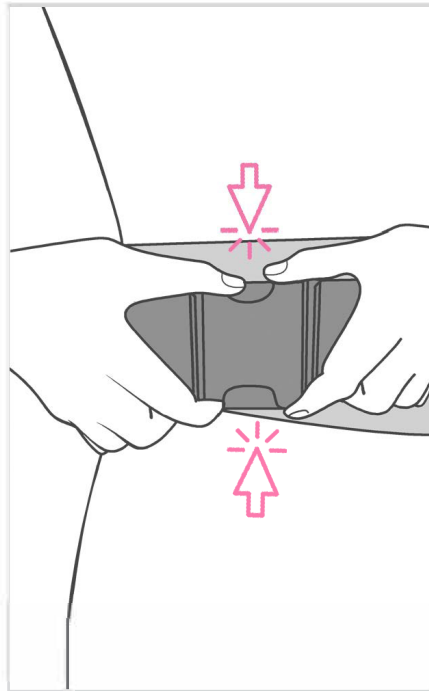

Ensure each side is securely fastened to the velcro.

Wash Care and Warranty

All our Nomad carriers come with a 12 month limited warranty against manufacturing flaws . Should there be a manufacturing issue we will do our very best to work with you to provide you with either an exchange or refund.

Normal wear, fabric flaws, fabric fading, minor size differences & sewing varieties are not considering manufacturing flaws and are therefore not covered under the limited warranty.

We are not responsible for warranty coverage if the product has been altered in any way. The term 'altered' refers to dyeing, painting, embroidery, and fabric additions or removals made after purchase.

We are also not responsible for warranty coverage of any carrier that has been purchased secondhand. Proof of purchase is required for all returns and exchanges.

For any warranty claim please contact our Customer Service team: info@bizzigrowin.com

Warranty coverage does not extend to damage caused by misuse, or any use of our Nomad carrier that is not in accordance with the instruction manual provided .Warranty coverage does not extend to any Nomad carrier that has been modified from its original construction in any way.

Bizzi Growin strive to use only the highest quality and safest dyes possible to ensure our products will retain their colour, and are free from harmful chemicals . We cannot be held responsible for faded colours due to washing.

Machine wash at 30 degrees
